

Date Night Done A Little Differently

Dinner and a Movie Package for just \$44.99

Picture this for date night.

First, a stroll down the strip. Enjoy the glitzy beauty of the casinos, the lively performances dotting the streets, and maybe even meeting a few Elvis impersonators. Bask in the charm of Paris, New York, Egypt, and ancient Rome in a single evening.

When you're done, take your shuttle back to the Palace Station, where you'll find a mouth-watering dinner awaiting you at the Feast Buffet Restaurant, voted one of the best buffets in Vegas.

After dining on juicy prime rib, tangy shrimp cocktails, and icy margaritas, the two of you can retire to your room to enjoy a complimentary movie and simply relax. Of course, all the latest amenities like high-speed wi-fi are included.

If you can't remember the last time you've had a night like that, you need to book our Dinner and a Movie Package today. For a very limited time, you can take your date out for a night they'll never forget for **only \$44.99**.

Indulge a little. It's Vegas.
